

**Pledge Form: January 1 – December 31, 2020**

To be a member of the UUFSMA a financial pledge is required. As financial means should never be a deterrent to membership, there is no lower limit on the amount. We hope that each member will contribute an amount that is generous in their individual situation.

This year our pledge goal is \$75,000 and we are asking all those who have pledged in the past to consider raising their pledge by 10 %. This is an exciting and growing time for the UUFSMA. Your increased contribution will provide us with the opportunity to provide more for the greater community and for the members and friends of the Fellowship.

This is my first pledge to the UUFSMA

I pledge \_\_\_\_\_ US dollars or \_\_\_\_\_ Pesos

I would like to meet with a member of the pledge team to discuss my pledge.

Name(s)
